IN THIS ISSUE

The Great Library Mystery
Family Reading Night
All Ages Chess Tournament

Morton Grove Public Library is excited to welcome local author Rosellen Brown for our second One Book, One Village event! The One Book, One Village program encourages the community to come together by simultaneously reading the same book and sharing experiences through events and discussions. This year, please join us in reading *The Lake on Fire* by Rosellen Brown, followed by a visit from the author on October 23.

The Lake on Fire is a narrative about 19th-century Jewish immigrants, Chaya and Asher, who stow away to Chicago; what they discover there, however, is a deceiving Gilded Age. The pair is then forced to scrape together a meager living until they find paths of escape. An examination of family, love, and revolution, this profound tale resonates with today's current tumultuous events.

Find further reading lists, author information, and more on our One Book, One Village page at mgpl.org/onebook.
